

Sensory Circle – Facebook Live

Wednesday, April 1st

10-10:30am

Join us for this classic Lorain County Metro Parks preschool program! Learn about our five senses, and also explore how animals use their senses. Participate in the activities at home by finding the list of items below:

- 3 Socks – fill with mystery items (rock, marbles, pinecone, leaves, etc)
- 3 Baggies or Containers – fill each with something to smell (coffee grounds, lemon juice, cinnamon, etc)

Participants will also be encouraged to ask questions and leave comments throughout the program. If you have a question related to our local plants and animals, please have them ready for the program!
